CAMPUS CULTURE

Stating Line Culture :YES Prep has moved to a universal behavior management system for all 18 campuses. Students on all campuses will be held accountable for meeting the 15 expectations below. If a student fails to meet any of these expectations, they will be issued a demerit the first two times. The third time they receive a detention. If a student fails to attend a detention the first time they will receive a Saturday detention. If they still miss Saturday detention, they will have a one day suspension.

Cell Phone Policy :During school hours, all student cell phones must be turned off. If at any time during the school day, the cell phone is out or in use, the cell phone will be confiscated. An administrative charge of \$15 must be paid by a parent/guardian before the phone can be retrieved. Additionally, in the event this becomes excessive, further disciplinary action may occur. Parents/guardians are encouraged to call the school's office number if an emergency arises.

Student Handbook : The YES Prep Unified Student Handbook includes all policies and information for students and families that is consistent from campus to campus across YES Prep. It is crucial that all YES Prep students and parents/guardians are familiar with the Handbook and the information contained within it. The 2018-19 YES Prep Unified Student Handbook is ready and has been posted to yeprep.org under "For Parents."
