

The YES Prep Parent Survey

Parent support is essential for us to fulfill our mission. Your voice matters and your feedback impacts academics, culture and overall student success. We ask that you take 5-10 minutes to take the YES Prep Parent Survey to share your thoughts and experiences around having a student attend YES Prep. Although we may ask for information about your student(s), your feedback will be in no way connected to you or your student(s) – so please feel free to share your honest feedback. We value your input!

The parent survey will be taken online using a link that will be shared with you via email and text message through Qualtrics. The Parent Survey opened on Monday, April 1 and will close Friday, April 12. You are welcome to use a computer, smart phone or tablet to access the survey.

If you have any additional questions about the survey, please reach out to parentsurvey@yesprep.org

Junior Parent Meeting

“Hello 11th Grade Parents! On Tuesday, April 16, we will be hosting a Junior Parent Night starting at 6:00 pm. As we near the end of junior year, now is the perfect time to begin the conversation about building a great college list. During this time, parents will be equipped with information that will help with finding the right fit college for their student and understanding their Estimated Family Contribution (EFC) to college costs. We will also be discussing how parents and students can sign up for one on one parent meetings with their students college counselor! Please join us as we continue the discussion of keeping college as an option for all students!”
