Student IDs

Recently, there have been too many students forgetting their ID's. All students need to make sure to follow the uniform policy at all times, and that includes **wearing their student ID's at all times during the school day**. If they do not have their ID, they will need to check out a temporary ID by either leaving a deposit of \$2 OR their cell phones (which they will get back at the end of the day). If the student does NOT have either, they will receive an automatic detention.

Academic Updates

Round 2 of Common Assessments are coming up – February 25th -27th

Common Assessments will begin in a few weeks! Please make sure students are on time to school (8 a.m.) so that they do not miss any part of these crucial exams!
