## Credit Recovery

▼ English

YES Prep will be offering a Distance Learning Summer Credit Recovery program for any high school student that did not earn a passing grade for a core course during the 2019-2020 School Year. Due to the current closure, our Summer Credit Recovery program will be offered through an online platform called Edmentum PLATO (currently used for Spring Credit Recovery). YES Prep staff supporting students during Summer Credit Recovery will continue to utilize Microsoft Teams for communicating with students and hosting office hours and tutorials. Our goal is to ensure YES Prep students that would benefit from regaining the credit prior to the next school year have the opportunity to do so. As a reminder, the grading policy during the closure has been included below.

- **Grading During Keep YES Prep Learning:** For A6, students will receive equally weighted, achievement-based grades on assignments based on the mini-lessons in each class. Grades in A6 can only improve students' scores for the semester; as such, we encourage students to correct their work, but we will not offer graded reassessment opportunities. Common Assessment 2 will still count as 7% of the semester grade, except for courses that did not test prior to closure.

The YES Prep Credit Recovery program will be available for 9th – 12th grade students that need to regain a first semester or second semester core course(s) (Math, English, Social Studies, or Science).

Students and families will be informed of final grades by Friday, May 29, 2020 when the Report Cards

-lottery posted to the **Home Access Center**. Additionally, campuses will communicate directly to any student/family that requires Credit Recovery to regain a core course(s) credit or be promoted to the

# Purpose

---

YES Prep will be offering a Distance Learning Summer Credit Recovery program for any high school student that did not earn a passing grade for a core course during the 2019-2020 School Year. Due to the current closure, our Summer Credit Recovery program will be offered through an online platform called Edmentum PLATO (currently used for Spring Credit Recovery).

---

The YES Prep Credit Recovery program will be available for 9th – 12th grade students that need to regain a first semester or second semester core course(s) (Math, English, Social Studies, or Science).

---

In order to earn credit for the course, the student must successfully complete the program by July 1, 2020 with a passing grade. Failure to do so will result in the student not earning credit. Depending on the course or the number of missing credits, the student will be retained or need to re-enroll in the course the following year putting them behind in the credits needed to graduate.

monitoring

In the moment glimpse of  
grade

The image shows a screenshot of the Edmentum Plato login page. At the top, the Edmentum logo is displayed in black with a colorful horizontal bar through the letters. Below the logo is a purple header bar. The main content area is white and contains the 'Account Login' section. This section includes three input fields: 'Email' (labeled 'Email'), 'User Name' (labeled 'User Name'), and 'Password' (labeled 'Password'). Below the password field is a link that says 'Forgot your password?'. A large green button with the text 'Log in to your Edmentum Account' is positioned below the input fields. At the bottom of the login section, there are three smaller buttons: 'Self-Enrollment', 'Contact', and 'Help'. At the very bottom of the page, there are links for 'Privacy Policy' and 'California Privacy Policy'. The background of the slide features a blue gradient with a collage of diverse students' faces.

# Staff availability

Staff will be available Monday – Friday from 9 am – 4 pm

- Parents and students can contact staff through email, Teams chat or phone call
- Staff will not be expected to reply to any questions outside of these hours

Office hours will be shared with students through Teams

- If students need additional time or can't make office hours, they need to contact staff member to schedule outside of office hours

# Monitoring Progress

Outcome for this section:

- Learn what Edmentum Plato is
- How to access the platform
- How to check progress and grades
- Who to reach out to for help

# What is Edmentum Plato?

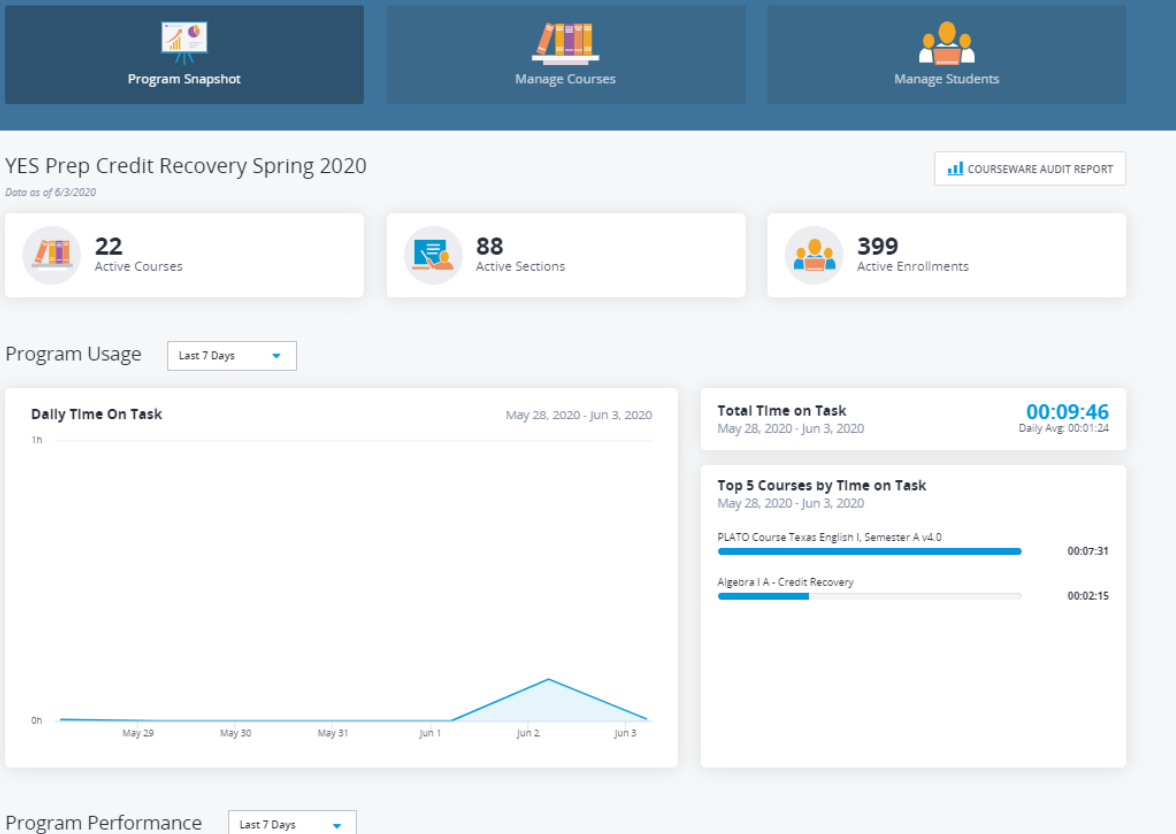

Completely online

Self-paced

In the moment progress monitoring

In the moment glimpse of grade

Teachers will be able to see details such as the last time the student logged in, grades, time spent on assignments

# Where does my student log in?

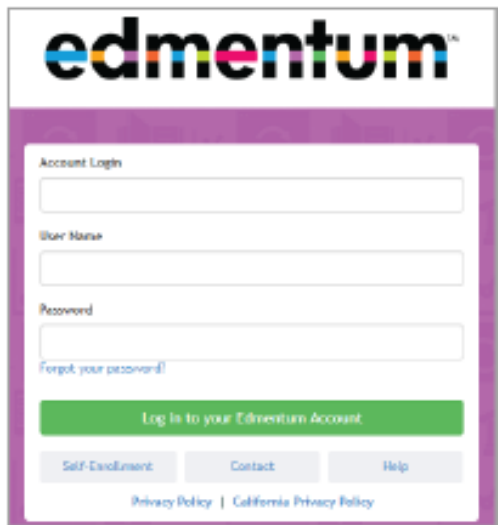

<https://login.edmentum.com>

Account Login: YPREP

User Name: student ID

Password: studentID

- \*Please change your password right after you log in for security reasons
- \*If a student was enrolled in Spring Credit Recovery, their username and password will be the same.

A screenshot of the Edmentum login page. At the top is the Edmentum logo. Below it is a purple-bordered box containing the login form. The form has fields for 'Account Login', 'User Name', and 'Password'. There is a 'Forgot your password?' link below the password field. A green button labeled 'Log in to your Edmentum Account' is at the bottom of the form. Below the button are links for 'Self Enrollment', 'Contact', and 'Help'. At the very bottom are links for 'Privacy Policy' and 'California Privacy Policy'.

Will not be  
available until  
Monday, June 8th

# How do I know if my student is doing the work?

The screenshot shows a student dashboard with several key areas highlighted by blue arrows:

- Last date and time student logged in:** Points to the top right corner showing "1 Section" and a dropdown arrow.
- Active Sections (1):** Points to the "Active Sections (1)" link.
- Course Name:** Points to the course title "AQR A" and "NC AQR A - Spring Credit Recovery".
- Current grade:** Points to the "CURRENT GRADE 88.00% (B)" section.
- Percentage finished:** Points to the "COURSE GRADE 88.00% (B)" and the progress bar showing "34/34 (100%)".
- Time on Task:** Points to the "TIME ON TASK 34:11:09" section.

Below these sections, a row of four colored icons (red, orange, green, blue) represents student performance levels, with counts shown next to them:

- Red icon: 13
- Orange icon: 0
- Green icon: 0
- Blue icon: 0

Green arrows point from these icons to a legend at the bottom:

- Off - pace
- Slightly off-pace
- On pace
- Ahead of pace

On the right side, a list of students is shown with their names and course titles:

- Grant, Joy  
Cavatica English 11 Spring
- Smith, Templeton  
Cavatica English 11 Spring

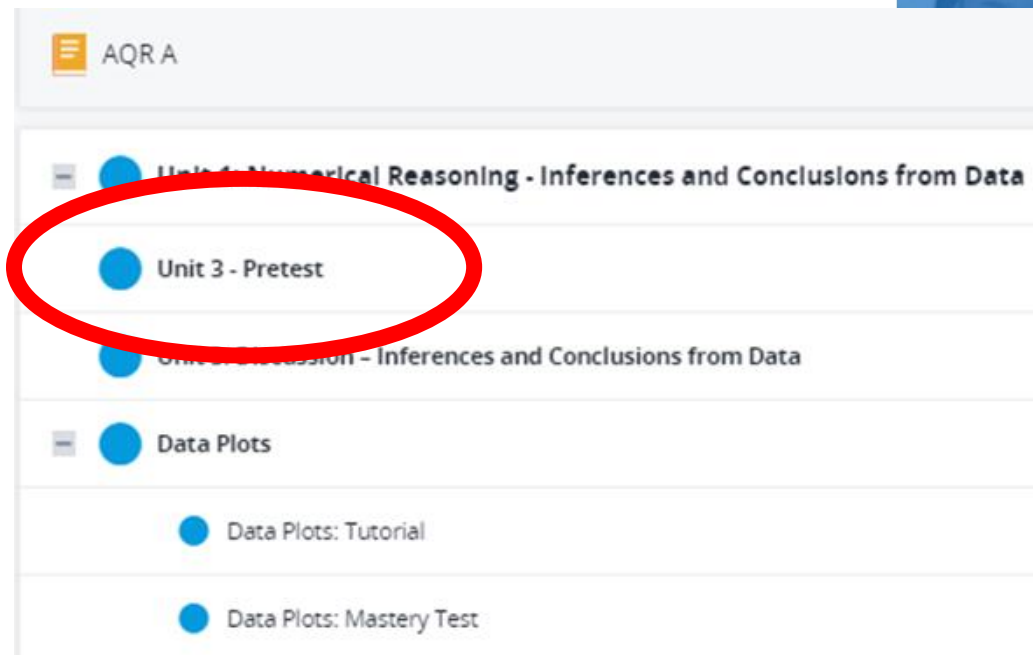

# How do I know if my student is doing the work?

The screenshot shows a course management system interface. Orange arrows point to various elements: 'Course name' points to the top header; 'The units and assignments' points to the left sidebar; 'Mastery = 70%' points to a star icon in the table; 'Assignment is locked' points to a lock icon; 'Current grades' points to the 'REVIEW' column; 'Feedback from teachers' points to a magnifying glass icon; 'Time spent on assignments' points to the 'TIME' column; and 'Attempted tries' points to the 'TRIES' column.

AQRA		STATUSES		REVIEW
		TRIES	TIME	REVIEW

Showing Data Center and Spread: Tutorial		16		
Showing Data Center and Spread: Mastery Test		★	15:54:06	80%
Interpreting the Shape of Data Distributions		★		
Interpreting the Shape of Data Distributions: Tutorial			08:48	80%
Interpreting the Shape of Data Distributions: Mastery Test		★	15:47	80%

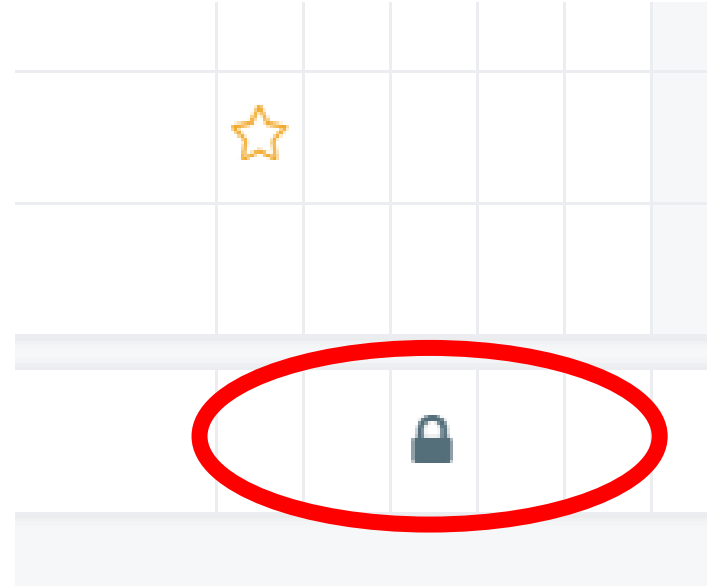

# Unit Pre-test

- Students who master the pre-test (70% or higher) are exempt from taking that unit
- We recommend that students take as much time as possible on the pre-test as it could save them time from completing other assignments

# Locked assignments

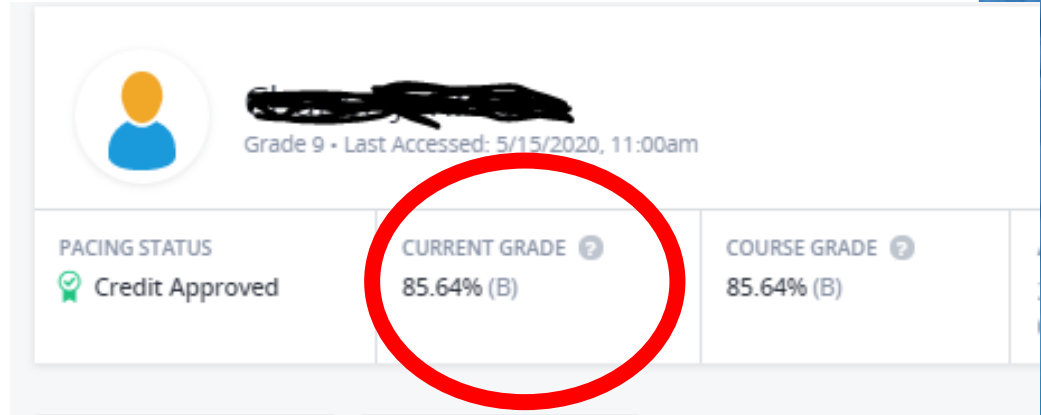

- If a student does not master a test or exam after 3 attempts with a 70%, the test will “lock”.
- Students need to reach out to their Advisory Teacher to unlock the assignment after they have attended the Content Teacher’s office hours or asked the Content Teacher for help

# How do I know if my student is passing the class?

Check the grade  
on Plato

Reach out to  
Advisory teacher  
via phone, Teams  
Chat or email

The screenshot shows a student's profile in the Plato system. At the top, there is a profile picture placeholder (a blue circle with an orange person icon) and a name that has been redacted with black ink. Below the name, it says "Grade 9 • Last Accessed: 5/15/2020, 11:00am". The main content area is a table with three columns: "PACING STATUS", "CURRENT GRADE", and "COURSE GRADE". The "CURRENT GRADE" column is circled in red and shows "85.64% (B)". The "PACING STATUS" column shows a green checkmark icon and the text "Credit Approved". The "COURSE GRADE" column shows "85.64% (B)".

 Grade 9 • Last Accessed: 5/15/2020, 11:00am		
PACING STATUS  Credit Approved	CURRENT GRADE ? 85.64% (B)	COURSE GRADE ? 85.64% (B)

# I have a question

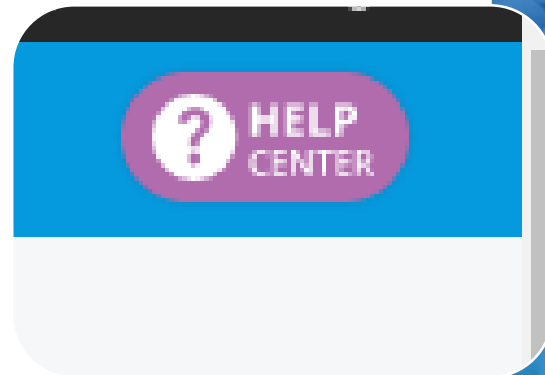

## About progress/grades

- Contact your student's Advisory Teacher via phone call, Teams Chat or email

## Home situation that is affecting work progress

- Contact your student's Advisory Teacher via phone call, Teams Chat or email

## Technical issues

- Parents can use the “help center” feature in Edmentum to get technical support
- 1-800-447-5286

# Student Expectations

Outcome for this section:

- What should students be doing?
- How often should they be working?
- Are office hours mandatory
- Online behavior expectations

# My student is logged in... now what

Students need to log in to Edmentum daily

Students need to check Teams daily

Students need to attend Office Hours

Students need to check in with their Advisory Teachers

If an assignment is locked, students need to reach out to their Advisory Teachers

# How often should my student be completing work?

The program is self-paced, there is no time limit when completing work. We recommend students spend an hour a day per class. If they are taking one class = one hour per day. Two classes = two hours per day.

Students should be logging into Edmentum daily to stay on pace to finish on time

Students should attend Office Hours, once posted and if they cannot make the posted hours, they need to reach out to the Content Teacher to set a separate time

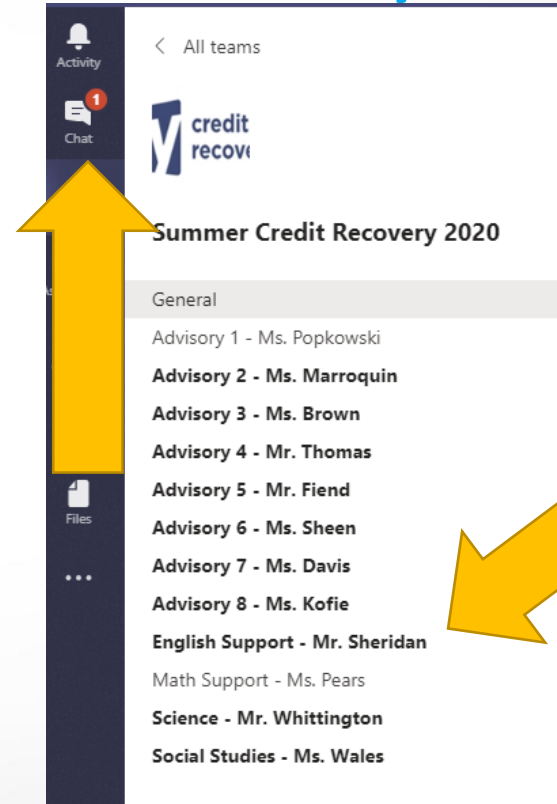

All work needs to be completed on Edmentum by 4:00 pm on Wednesday, July 1<sup>st</sup>. No extensions will be granted

# Are office hours mandatory?

Office Hours led by Content Teachers are the only time students will have to get questions answered if they are struggling with the material on Edmentum

Exams will automatically lock after 3 tries – students will need to attend office hours to get the content necessary to master the exam

Content teachers will be available through their Teams Channel or through chat

# Online behavior expectations

	communicate using <b>appropriate, kind and respectful language</b> to peers and teachers	use <b>appropriate language, images, videos, and GIFs</b> when communicating with peers and teachers
	<b>limit the amount of posts</b> in each individual Teams Classroom or Teams Grade Level Group to not distract from the posts of the teacher or campus administrator	use the <b>chat function when it is appropriate</b> for communicating with peers and teachers
	understand that <b>all activity on Teams can be seen by YES Prep Staff members</b> and that a campus Dean of Students will follow up with the student and family if necessary	

# Timelines

Outcome for this section:

- When to expect grades

# Important dates to note

Monday,  
June 8<sup>th</sup>

First day of  
Summer Credit  
Recovery for  
students

Wednesday,  
July 1<sup>st</sup>

Last day of  
Summer Credit  
Recovery for  
students.

All work must be  
completed by 4  
pm

Thursday,  
July 2<sup>nd</sup>

Grades will be  
finalized on Plato

Students and  
parents can see if  
student passed or  
failed the course

Friday, July  
17<sup>th</sup>

Final report card  
grades will be  
sent to home  
campus and  
obtained credit  
will be visible on  
Home Access  
Center
