

May 21, 2021

Dear YES Prep Families,

We hope this message finds you safe and well. By now, you may have heard the [Governor's announcement](#) earlier this week regarding masks. While in the future masks will not be required on campuses in accordance with the latest state mandate, out of an abundance of caution for the safety of students, staff and their families, we continue to encourage their use by those not fully vaccinated and will welcome students and staff to continue to wear them.

Our health partner, Legacy Community Health, has been offering COVID-19 vaccines to eligible staff, students (note: the vast majority of our students are now eligible) and their families since March 8, 2021, and we expect many more will receive it in the coming weeks. Please see below for new information regarding vaccine availability for students 12 years and older. The health and safety of our students and staff are our top priority. Thank you for your support and participation in keeping our schools safe and keeping our students learning.

Thank you for reading this Family Update in its entirety for information, updates, and reminders about COVID-19 vaccine availability for ages 12 and older, Senior Signing Day this Sunday, the ARP ESSER III grant, next Facebook Live session for 12th-grade families, Summer Meals Delivery Service and more.

Updated Mask Policy for SSD

Per Governor Abbott's executive order this week regarding masks, masks will not be required at Rice University for the event this Sunday. However, out of an abundance of caution for the safety of students, staff and families in attendance, we continue to strongly encourage their use especially by those not fully vaccinated and welcome students and their guests to wear them at the event.

Rain Plan

We are following the forecast for Sunday and will send messaging on Saturday in the case that the event needs to be postponed.

- In the event of light rain on Sunday, seniors and their guests are encouraged to bring a poncho or a raincoat. Please note: Rice Stadium does NOT permit umbrellas in the stadium.
- If it is determined on Saturday that the event needs to be postponed, it will be rescheduled for Monday, May 24 at Rice Stadium.

We cannot wait to celebrate the Class of 2021 at Senior Signing Day! Way to go seniors!

Family-School Relationships Survey Results

Thank you for taking the time to complete the annual Family-School Relationships Survey! We are still digging in to read the comments and identify the trends in the data to prioritize actions at the system and campus levels. From the initial review, it was great to see that we were well above average on the categories that were nationally normed such as Barriers to Engagement, School Climate and School Fit. Stay tuned for more details on how we will be using your feedback to plan for a successful new school year!
