Dear YES Prep Southside Families:

The Texas Education Agency (TEA) has released the **2016 Accountability Ratings** for all Texas public schools and districts. The TEA uses a state accountability system that assigns one of three academic ratings to each school and district: *Met Standard*, *Met Alternative Standard*, or *Improvement Required*. These ratings are based on a framework of four indices that combine a range of indicators into a comprehensive measure of academic performance.

**I am writing to inform you that YES Prep Southside has been rated *Improvement Required* because we did not meet targets on Index 1, Index 2, and Index 4.** Below is an explanation of the indices and a list of opportunities for you to ask questions and provide input and feedback. In addition, more information about the state accountability system can be found on the TEA's website at <http://tea.texas.gov/2016accountability.aspx>.

#### **Performance Index Framework: YES Prep Southside's Rating Results**

The performance index framework combines results from STAAR assessments, graduation rates, and other indicators. To receive *Met Standard*, a school must meet targets on three indices: Index 1 or 2, and Index 3 and Index 4. The following are YES Prep Southside's results:

Performance Index	Index Score	Index Target	Index Met
<b>Index 1: Student Achievement</b> – provides a snapshot of performance across subjects	47	60	No
<b>Index 2: Student Progress</b> – measures year-to-year student improvement	19	30	No
<b>Index 3: Closing Performance Gaps</b> – emphasizes the academic achievement of economically disadvantaged students and the two lowest-performing racial/ethnic student groups	26	26	Yes
<b>Index 4: Postsecondary Readiness</b> – emphasizes the importance of earning a high school diploma that provides students with the foundation necessary for success in college, job training programs, the workforce, or the military	9	13	No

### **Public Meeting and Public Hearing: Your Questions, Input, and Feedback**

The following meetings will be open to the public and held on campus:
